July 14, 2015

MOTOCROSS SAFETY AWARENESS MONTH

Motocross Safety Awareness Month is intended to increase the awareness of safety precautions for motorcycle riders and to reduce the occurrence of accidents.

It is especially important that the citizens of Los Angeles County use caution, wear appropriate protective gear, and always ride with safety in mind.

I, THEREFORE, MOVE that the Board of Supervisors proclaim the month of July 2015 as Motocross Safety Awareness Month throughout Los Angeles County.
